BANKATHON

Bankathon #7 in Prague
24th - 26th September 2019

Summary

Bankathon #7 in Prague was the largest and most international Bankathon we had so far,
with **27** competing teams consisting of **93** developers, from **7** countries.
During the 30 hours of coding, they worked with 6 APIs on 6 different theme tracks and 21.000€ prize money was awarded
after the Final Pitches – enabled by 16 Bankathon partners.

Let the Open Banking world begin!
